This matter is before the Court on the petitioner's motion for a stay and abeyance (#10). I referred this matter to United States Magistrate Judge Terry I. Adelman, who filed a Report and Recommendation as to petitioner's motion on February 1, 2013 (#13). Judge Adelman recommended that petitioner's motion be denied. Petitioner requested and received an extension of time, to March 18, 2013, in which to object. Despite having filed a motion to issue subpoenae on March 15, 2013, the petitioner has filed no objection to Judge Adelman's Report & Recommendation. After careful consideration, I will adopt and sustain the reasoning of Judge Adelman and deny petitioner's motion. Accordingly,

IT IS HEREBY ORDERED that the report and recommendation of United States Magistrate Judge Terry I. Adelman (#13), filed February 1, 2013, be and is SUSTAINED, ADOPTED and INCORPORATED herein.

IT IS FURTHER ORDERED that petitioner's motion for a stay and abeyance (#10) is **DENIED**.

Dated this 21st day of March, 2013.

STEPHEN N. LIMBAUGH, Jr. UNITED STATES DISTRICT JUDGE
